

Nama : Wahyu Prasetyo

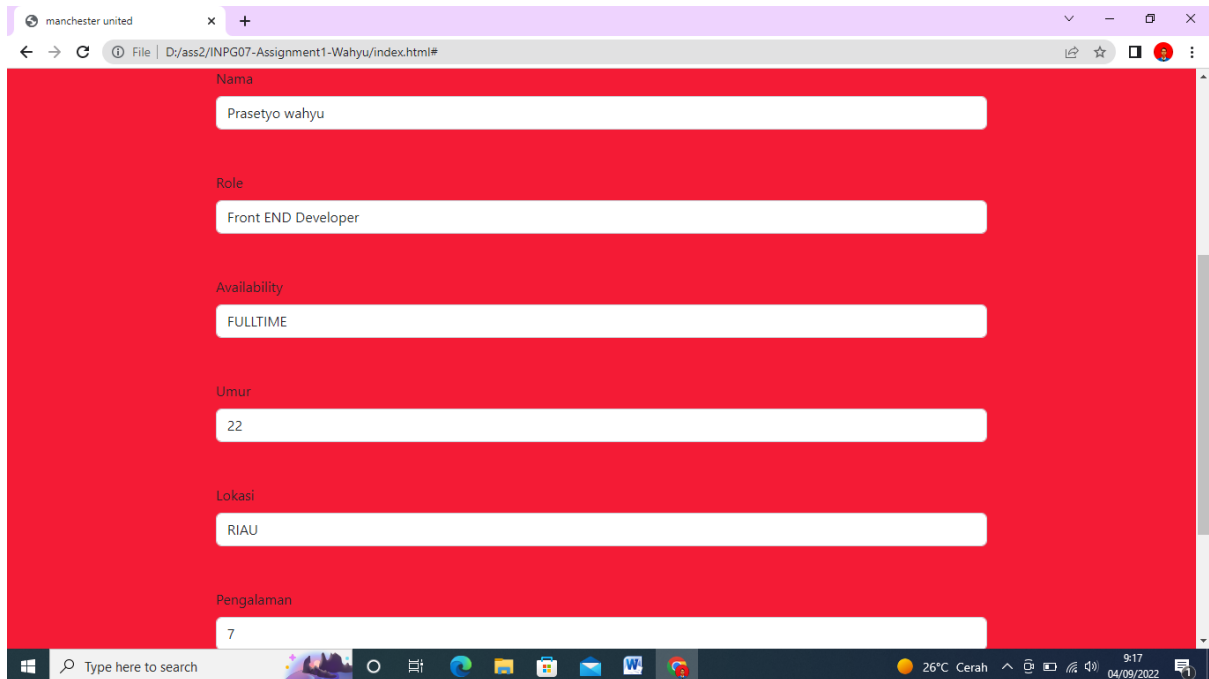

Program : Web Developer

Kelas : INPG-KS07-012

Yang pertama tampilan awal ,dan kalau di tekan tombol edit ,akan ke bagian form biodata

Ini bagian form biodata nya

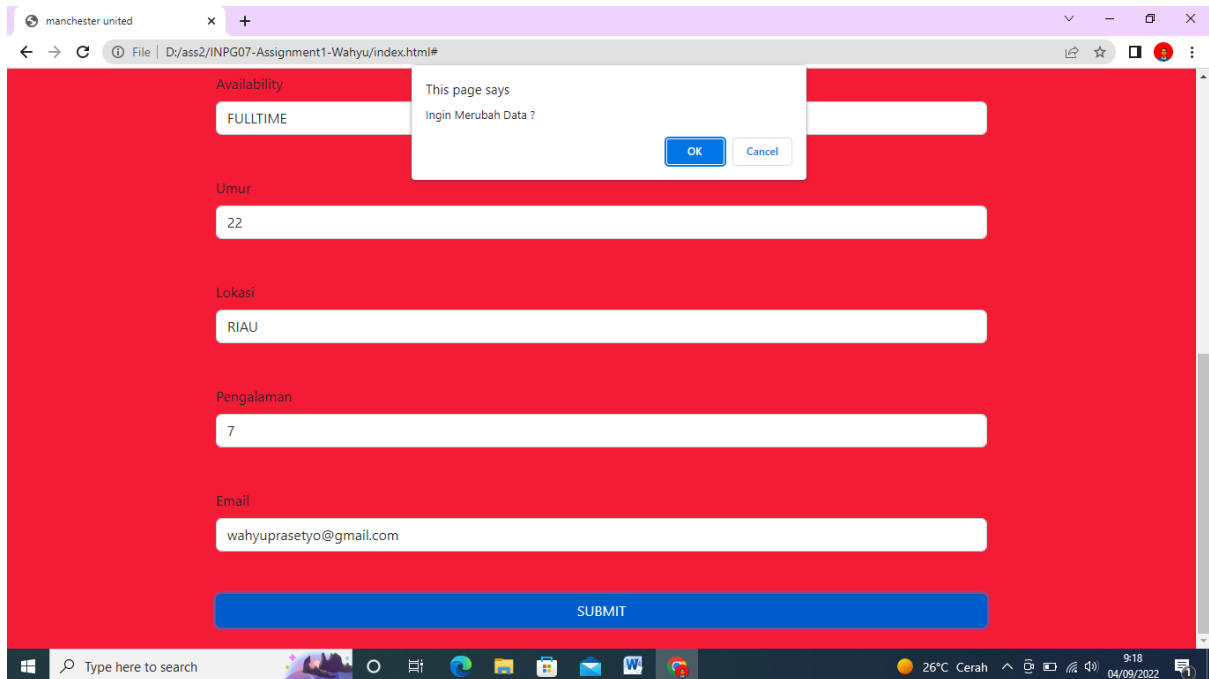

A screenshot of a web browser displaying a biodata form. The browser's address bar shows the file path: `D:/ass2/INPG07-Assignment1-Wahyu/index.html#`. The form is set against a red background and contains the following fields:

- Nama:** Prasetyo wahyu
- Role:** Front END Developer
- Availability:** FULLTIME
- Umur:** 22
- Lokasi:** RIAU
- Pengalaman:** 7

The Windows taskbar at the bottom shows the date as 04/09/2022 and the time as 9:17.

Ini tampilan form biodata kluu ingin merubah data timbul pembritahuan apakan dara mau di rubah?

A screenshot of the same web browser showing the biodata form. A confirmation dialog box is displayed in the center of the screen, with the text: "This page says" and "Ingin Merubah Data ?". The dialog box has two buttons: "OK" and "Cancel". The form fields are partially visible behind the dialog box:

- Availability:** FULLTIME
- Umur:** 22
- Lokasi:** RIAU
- Pengalaman:** 7
- Email:** wahyuprasetyo@gmail.com

At the bottom of the form, there is a blue button labeled "SUBMIT". The Windows taskbar at the bottom shows the date as 04/09/2022 and the time as 9:18.

The image shows a Visual Studio Code editor window with a dark theme. The title bar at the top reads "index.html - Visual Studio Code [Administrator]". The editor area displays an HTML file named "index.html" with the following content:

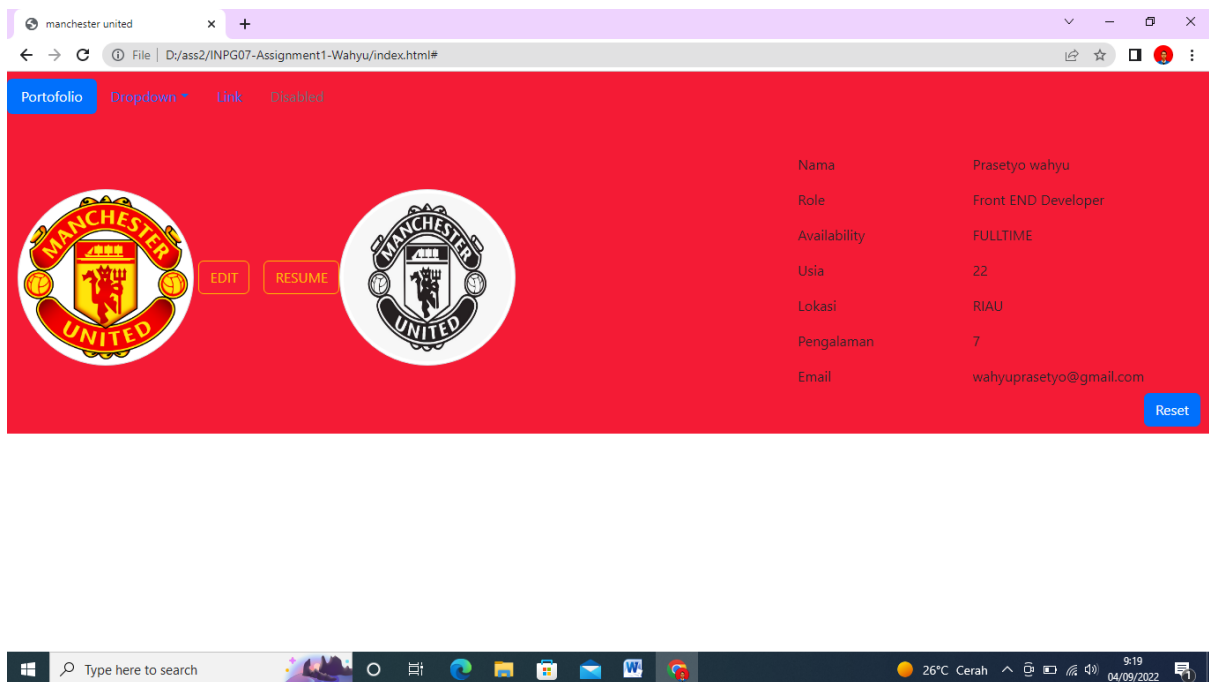

```

<form class="container col-8 mt-8" id="form-nama" onsubmit="inputbiodata(event)">
  <div class="mb-5">
    <label class="form-label" for="nama">Nama</label>
    <input type="text" class="form-control" id="val_nama" name="nama" placeholder="Masukan Nama Anda !"
      required autocomplete="off">
  </div>
  <div class="mb-5">
    <label for="role" class="form-label">Role</label>
    <input type="text" class="form-control" id="val_role" name="role" placeholder="Masukan Role Anda !"
      required autocomplete="off">
  </div>
  <div class="mb-5">
    <label for="fulltime" class="form-label">Availability</label>
    <input type="text" class="form-control" id="val_avaibility" name="availability" placeholder=" Masukan Availability Anda !"
      required autocomplete="off">
  </div>
  <div class="mb-5">
    <label for="usia" class="form-label">Umur</label>
    <input type="number" class="form-control" id="val_umur" name="umur" placeholder="Masukan Usia Anda !"
      required autocomplete="off">
  </div>
  <div class="mb-5">
    <label for="alamat" class="form-label">Lokasi</label>
    <input type="text" class="form-control" id="val_alamat" name="alamat" placeholder=" Masukan Lokasi Anda !"
      required autocomplete="off">
  </div>
  <div class="mb-5">
    <label for="pengalaman" class="form-label">Pengalaman</label>
    <input type="number" class="form-control" id="val_pengalaman" name="pengalaman"
      placeholder="Masukan Pengalaman Anda !" required autocomplete="off">
  </div>
</div>
<div class="mb-5">

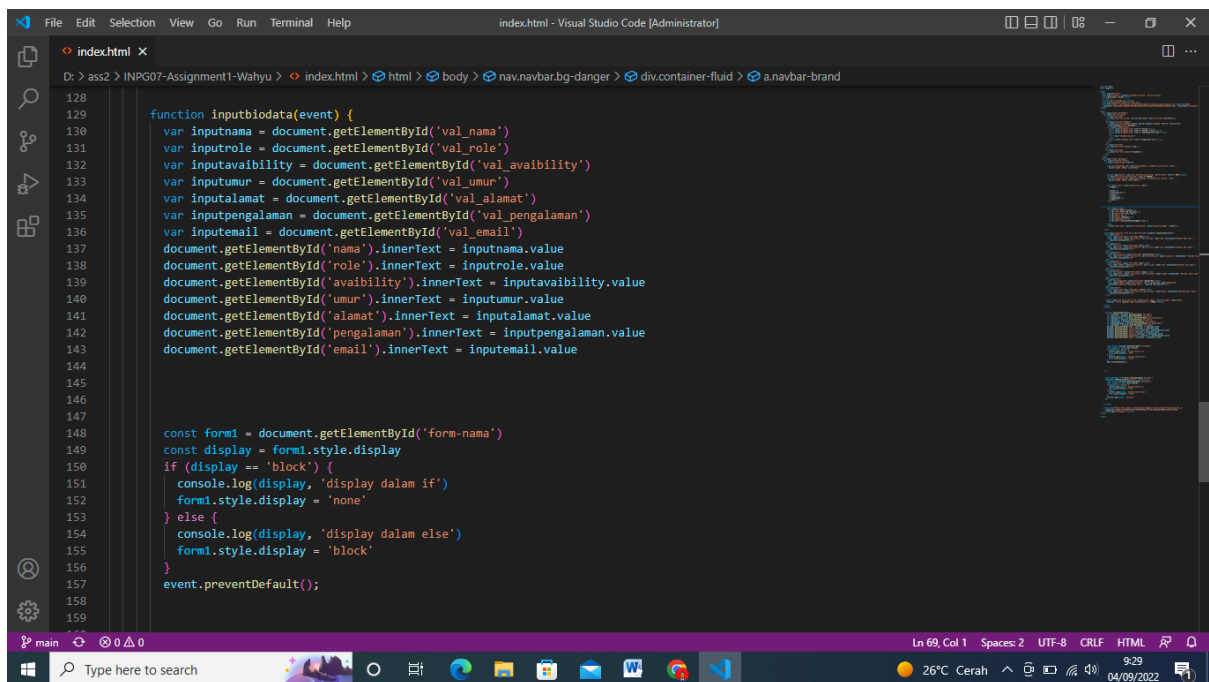

```

The left sidebar contains icons for Explorer, Search, Run and Debug, and Extensions. The bottom status bar shows "Ln 1, Col 1", "Spaces: 2", "UTF-8", "CRLF", "HTML", and a system tray with a clock showing 9:25 on 04/09/2022.

## Codingan js

The image shows a screenshot of the Visual Studio Code editor with a file named `index.html` open. The code is written in JavaScript and is part of a larger HTML document, as indicated by the breadcrumb navigation: `D:\ > ass2 > INPG07-Assignment1-Wahyu > index.html > html > body > nav.navbar.bg-danger > div.container-fluid > a.navbar-brand`.

```
128
129
130 function inputbiodata(event) {
131     var inputnama = document.getElementById('val_nama')
132     var inputrole = document.getElementById('val_role')
133     var inputavailability = document.getElementById('val_availability')
134     var inputumur = document.getElementById('val_umur')
135     var inputalamat = document.getElementById('val_alamat')
136     var inputpengalaman = document.getElementById('val_pengalaman')
137     var inputemail = document.getElementById('val_email')
138     document.getElementById('nama').innerText = inputnama.value
139     document.getElementById('role').innerText = inputrole.value
140     document.getElementById('availability').innerText = inputavailability.value
141     document.getElementById('umur').innerText = inputumur.value
142     document.getElementById('alamat').innerText = inputalamat.value
143     document.getElementById('pengalaman').innerText = inputpengalaman.value
144     document.getElementById('email').innerText = inputemail.value
145
146
147
148     const form1 = document.getElementById('form-nama')
149     const display = form1.style.display
150     if (display == 'block') {
151         console.log(display, 'display dalam if')
152         form1.style.display = 'none'
153     } else {
154         console.log(display, 'display dalam else')
155         form1.style.display = 'block'
156     }
157     event.preventDefault();
158
159
```

The status bar at the bottom indicates the current position is `Ln 69, Col 1` with `Spaces: 2`, `UTF-8` encoding, `CRLF` line endings, and `HTML` language. The system tray shows the date `04/09/2022` and time `9:29`.
